

WELCOME OUR NEW DEVELOPMENT DIRECTOR ELLEN VARGA BALDWIN

Paws with Purpose is proud to introduce our new Development Director, Ellen Varga Baldwin, a native Louisvillian.

With over 25 years of experience in developing and strengthening client and business partner relationships, Ellen was the ideal choice to lead our development/fundraising efforts and raise awareness in support of PwP.

PwP trains highly skilled assistance dogs for children and adults with physical disabilities or other special needs. We also place facility dogs that work with pediatric and adult patients in hospitals or other therapeutic settings under the guidance of professionals in health care and other fields. Each dog's training is tailored to meet the needs of the client, costing up to \$30,000 per assistance dog.

Ellen's experience, combined with her energy and passion for the work we do, will ensure our commitment to provide greater independence and enhanced quality of life for children and adults living with a disability in our community.

Welcome to the Paws with Purpose Team!

Paws with Purpose is a 501(c)3 nonprofit organization. PwP is funded primarily by generous donations from individuals, local businesses, corporate sponsors and grants. For more information, please visit us at <https://www.pawswithpurpose.org/>.
