Miles (age 5) and Faith

Miles (age 14) and Chevy on the first day of school

Recipient Spotlight: Meet Miles

Miles first came in contact with *Paws with Purpose* when his parents saw one of our puppies out in the community almost ten years ago. Miles was placed with Faith, a home certified dog, when he was just five years old. As Faith and Miles both got older, his family knew he was going to need a full service dog in order for Miles to be independent. This is how Miles came to meet Chevy, his new service dog. Thanks to Chevy, Miles is attending school for the first time and is doing many other things independently.

Thank You Paws with Purpose

Written independently and typed by Miles Morton

Hello! My name is Miles Morton. I am 14 years old, and I live in Charlotte, North Carolina. I have Ataxic Cerebral Palsy and seizures. I was placed with Chevy, my service dog, through Paws with Purpose on August 15, 2014 after training him for 3 months. Chevy helps me with my seizures. If I were to fall, Chevy would lay beside me and bark to attract attention. He is able to retrieve my phone or a water bottle if needed. If I were to lose my balance, Chevy can provide support via a handle on his harness. Chevy also helps me be more independent. I am now able to go on a run, go to the park, and go to school with Chevy. He is a great friend, and he is always fun to have around. I think Paws with Purpose is a wonderful organization that will find you the perfect companion.
